Please estimate the fiscal impact of the above measure for:

State general or special funds  Counties  Cities

In the following space note the fiscal effect in dollars of this measure:

Narrative:

Since this bill does not become effective until January 1, 1992, there would be no fiscal impact during the 1989-1991 biennium.

It should be noted that this bill would, beginning in the 1991-1993 biennium, generate an estimated additional \$20,000.00 per year for the Game and Fish Fund. It would also generate an estimated \$40,000.00 per year for the Highway Tax Distribution Fund from the registration of boats.

During the 1991-1993 biennium this bill would generate an estimated \$200,000.00 for the Highway Tax Distribution Fund from the titling of boats. In subsequent bienniums it is estimated the titling of boats would generate approximately \$10,000.00 for the Highway Tax Distribution Fund.

The Motor Vehicle Department will have to ask for a budget enhancement of approximately \$160,000.00 to \$180,000.00 for the 1991-1993 biennium to implement the provisions of this bill.
