FISCAL NOTE

Bill/Resolution No.: SB 2540 Amendment to: _____

Requested by: Legislative Council Date of Receipt: _____

Please estimate the fiscal impact of the above measure for:

State general or special funds Counties Cities

In the following space note the fiscal effect in dollars of this measure:

Narrative:

Adoption of Senate Bill 2540 would transfer meat inspection authority from federal to state control, for those slaughter establishments requesting those services.

It is anticipated that the minimum fiscal effect this program will have on the general fund budget of the state for the 1989-1991 biennium, is \$430,808. This figure is based on the assumption that the federal government will cost share on a 50/50 basis.

With no previous historical data to determine the number of establishments that will request state inspection services, and the actual inspection costs, if costs are found to be greater than projected, provision will have to be made for additional funds. Inspection requirements are mandated by federal law, and must be maintained at those levels, once inspection authority is assumed.

State Fiscal Effect:
