Bill/Resolution No.: _____ Amendment to: SB 2142

Requested by Legislative Council Date of Request: 3-12-91

Please estimate the fiscal impact of the above measure for:

State general or special funds Counties Cities

In the following space note the fiscal effect in dollars of this measure:

Narrative:

The number of water permit applications filed during a fiscal period will vary within wide limits. For example, during the drought years of 1989 and 1990, 315 applications were filed versus 90 applications filed during 1986 and 1987, when precipitation was normal or above. Because of these variations the estimate for revenue increase is based on more average conditions. The increased funding will support water permit processing activities by the agency.
