Requested by Legislative Council Date of Request: 1-3-91

Please estimate the fiscal impact of the above measure for:

State general or special funds  Counties  Cities

In the following space note the fiscal effect in dollars of this measure: 187,900

Narrative:

The fiscal effect of this bill relates totally to the state general fund. These estimates relate to potential income which would be received through the charge of admission and/or other use fees. Specific items that have been included in the estimate are: facility use fees; charges for photocopies, photographs and microprints; shipping and handling charges in connection with the Suitcase Exhibits in North Dakota (SEND) program and other traveling exhibits; historic site admissions, Historical Society publications; restricted concession sales and rent for agency structures. Only admissions, publications, concessions and rent are currently being collected and have a current effect on the general fund. All other items have never been charged for and would in no way reduce the general fund over current levels. All income is intended for reuse to provide the services from which the income is derived.
