FISCAL NOTE

Bill/Resolution No.: SB 2170 Amendment to: _____

Requested by Legislative Council Date of Request: 1-3-91

Please estimate the fiscal impact of the above measure for:

State general or special funds Counties Cities

In the following space note the fiscal effect in dollars of this measure:

Narrative:

The fiscal effect of this bill relates totally to state general funds. These estimates have been revised to more accurately reflect items that have impacted the general fund in the past and may continue to do so in the future. Specific items that have been included in the estimate are historic site admissions; Historical Society publications; photocopies, photographs and microprints; restricted concession sales and rent for agency structures.

This revision is provided because items were inappropriately included in the initial fiscal note for which income has not previously been collected, and/or for which general fund expenditures have not recently been made. These items will have no impact to the general fund whether the bill is approved or not. With the approval of SB2170, all income is intended for reuse to provide the services from which the income is derived.
