Requested by Legislative Council Date of Request: 1-7-91

Please estimate the fiscal impact of the above measure for:

State general or special funds Counties Cities

In the following space note the fiscal effect in dollars of this measure:

Narrative:

This should have no fiscal impacts on the state, counties, or cities. The law currently states landowners must pay 20 percent of cost share. It doesn't allow landowners to pay more. Many counties have already interpreted the law to say, landowners may pay greater than 20 percent. This is strictly a clarification.
