Narrative:

NOTE: This fiscal note is prepared with the understanding that SB2376 does not apply to the employees at the institutions governed by the Board of Higher Education. The Constitution of the State of North Dakota reserves to the Board of Higher Education the complete authority to act on behalf of those employees.

SB2376 provides for a State Employee Relations Board. This fiscal note estimates the salaries and operating expenses for that board. The note also estimates the costs associated with the office of the Executive Director. It is estimated that an Executive Director and an Administrative Assistant would be hired full-time. The services of two negotiators, one attorney, a mediator, and an arbitrator were also estimated for part of the biennium. Operating expenses and equipment for the Executive Director's office is included.
