FISCAL NOTE

Bill/Resolution No.: SB 2422 Amendment to: \_\_\_\_\_

Requested by Legislative Council Date of Request: 1-23-91

Please estimate the fiscal impact of the above measure for:

State general or special funds  Counties  Cities

In the following space note the fiscal effect in dollars of this measure:

Narrative:

Our best estimate is that approximately \$576,000 is currently collected from North Dakotans each year by phone companies for 911 service. The money is distributed directly to the cities and counties. The provisions of SB 2422 would allow the local governments to charge up to \$1.00 per month (current law is 50¢ per month). Several counties and cities are considering adding 911 service and imposing this excise tax.

We cannot determine the potential fiscal impact of SB 2422 given the uncertainty of additional 911 service.
