In the following space note the fiscal effect in dollars of this measure:

Narrative:

SB2590 relates to the establishment and implementation of student performance standards and performance assessment methods. Subsection 1 describes the preliminary research activities that will take place during the 1991-93 biennium in order to prepare for the development of student performance standards and the assessment program to be implemented during the 1993-95 biennium.

The funding for these activities will be provided from contributions, gifts, or grants received from the federal government, private organizations or other non-state sources. If adequate funding does not become available however, the superintendent is not required to implement Subsection 1. In either event, no general fund dollars will be required.
