Narrative:

Based upon estimates provided by representatives of the North Dakota Hospital Association, there are approximately 2 or 3 potential 1991-93 applicant groups. It is unknown how many "regulated" health professions may request changes to the present scope of practice.

In order to provide all necessary professional and clerical services to assist the expected 3 committees and otherwise implement and administer this measure, the following fiscal estimates would require funding from the proposed North Dakota regulation of health professions fund.

State Fiscal Effect:

<u>1991-92</u>		<u>1992-93</u>		<u>Biennium Total</u>	
<u>General Fund</u>	<u>Special Funds</u>	<u>General Fund</u>	<u>Special Funds</u>	<u>General Fund</u>	<u>Special Funds</u>
