Narrative:

The 1989-91 budget for the Department of Public Instruction contained a \$2,000 line item for member expenses. The Council has been meeting on an almost monthly basis since its inception. It is projected that the Council will return to quarterly meetings after its initial biennium of organization and planning the implementation of a statewide network. Costs listed here are for eight quarterly meetings per biennium and include costs for the eight additional members including mileage. In the case of teacher representatives, the Council has also reimbursed the member's district \$50.00 per day for substitute pay. (\$.20 per mile times 200 miles per trip was used as an estimate for each members travel.)
