Narrative: The fee increase proposed by this bill is one of several proposed by the PSC to help cover the costs associated with its Licensing & Rail Division. Passing this bill would increase the annual license fee for roving grain or hay buyers from \$75 to \$100; there are currently 28 licensed roving grain or hay buyers in North Dakota. The increase would generate \$700 per year or \$1400 per biennium. These funds are all deposited in the general fund.
