

FISCAL NOTE

Return in triplicate)

Bill/Resolution No.: HB 1365 Amendment to: _____

Requested by Legislative Council Date of Request: 1-18-93

1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, and cities.

Narrative: There is no measurable fiscal impact attached to HB 1365. There is no history on which to base projections regarding the movement of students if open enrollment is approved. Best estimates have it that the movement of students from large districts to small districts or conversely from small districts to large districts may in fact equalize. In any case state aid will follow the student wherever they go. We are currently paying state foundation aid for all of those students already.
