

FISCAL NOTE

Return in triplicate)

Bill/Resolution No.: HB1459 Amendment to:

Requested by Legislative Council Date of Request: 1-27-93

1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, and cities.

The expenditures this bill would generate arise from the expanded base of candidates and committees that would have to file campaign disclosure reports and the increased monitoring necessary to enforce compliance with the new regulations. Either the Tax Dept. or Secretary of State would likely need a computer program to monitor each candidates compliance. The revenue generated by this bill comes from the fees assessed on candidates who exceed the contribution limits and the 10% fee on all political committee contributions. The revenue would be extremely hard to predict since we have no history on which to estimate the number of candidates who would choose to exceed the limits and subject themselves to the fees. We also do not have data to predict the impact of a 10% fee on political committee contributions.
