

FISCAL NOTE

(Return in triplicate)

Bill/Resolution No.: \_\_\_\_\_ Amendment to: SB 2108

Requested by Legislative Council \_\_\_\_\_ Date of Request: \_\_\_\_\_

1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, and cities.

Narrative:

It is estimated that the change in the duration schedule would result in 3.6% less being paid in benefits. Based on the change in the duration schedule, the projected benefit payout from the Unemployment Insurance Trust Fund would be reduced by \$1,225,000 for state fiscal year '94 and \$1,286,000 for state fiscal year '95.

Job Service data are not available to separate county and cities from total local government.

Estimates for government impact are based on a historical relationship between tax-rated and government benefits.
