

FISCAL NOTE

(Return in triplicate)

Bill/Resolution No.: SB 2214 Amendment to: _____

Requested by Legislative Council Date of Request: 1-5-93

1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, and cities.

Narrative:

This estimate is based on the assumption that approximately 1,000 tons per day are disposed of at the landfills required to participate in this fund. Thus the \$1.00 per ton fee will generate approximately \$365,000 annually. The expenditures cannot be estimated since this is based on claims submitted for reimbursement of claims for corrective action taken in response to a release.
