ACTUARIAL IMPACT (1) – Submitted in accordance with NDCC Section 54–03–25.

The Workers Compensation Bureau, together with its actuary, have reviewed the legislation proposed in this bill. The Bureau does not expect any actuarial impact to the fund as a result of the proposed changes.

(1) ACTUARIAL IMPACT

Impact as a result of a change that will have a material impact on the Bureau's liability for unpaid losses or prospective rate levels.

(2) OTHER IMPACT

Impact as a result of a change that will have a measurable impact of a lesser degree on the Bureau's liability for unpaid losses or prospective rate levels, or, a change that will have a measurable and significant impact on the Bureau's operating costs.
