

FISCAL NOTE

(Return original and 10 copies)

Bill/Resolution No.: \_\_\_\_\_ Amendment to: Eng. HB 1050

Requested by Legislative Council Date of Request: 2-15-95

- 1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, and cities.

Narrative:

Portions of this bill resulting in increased workload for the Insurance Department include insurance reforms found in Sections 20-28. It is estimated that one additional FTE analyst position would be required during the 1995-97 biennium. Once the reforms are implemented, the additional staff would probably not be required.

- 2. State fiscal effect in dollar amounts:

Table with 3 columns for Biennium (1993-95, 1995-97, 1997-99) and 2 rows for Revenues and Expenditures, each with sub-columns for General Fund and Special Funds.

- 3. What, if any, is the effect of this measure on the appropriation for your agency or department:

- a. For rest of 1993-95 biennium: None
b. For the 1995-97 biennium: \$96,920
c. For the 1997-99 biennium: \$96,920

- 4. County and City fiscal effect in dollar amounts:

Table with 3 columns for Biennium (1993-95, 1995-97, 1997-99) and 2 rows for Counties and Cities.

If additional space is needed, attach a supplemental sheet.
