

FISCAL NOTE

Bill/Resolution No.: H.B. 1168 Amendment to: _____

Requested by Legislative Council Date of Request: 1-3-95

1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, and cities.

Narrative:

The bill refines definitions, increases prize limits and types of games authorized for a local permit, sets one license fee, limits rent on a bingo card dispensing device, replaces a work permit system with a criminal history background check screening process, provides for interest and penalty on delinquent tax returns and late payment of tax, lengthens the statute of limitations, requires a manufacturer to pay the cost of inspecting a facility, repeals outdated sections, and clarifies ambiguous language.

A positive fiscal impact related to setting one license fee and providing for penalty and interest on delinquent tax returns and late payment of tax is offset by a negative fiscal impact of shifting some gaming organizations from state licensure to local permits based on an increase in prize limits and types of games.
