Bill/Resolution No.: _____ Amendment to: HB 1289

Requested by Legislative Council Date of Request: 2-15-95

1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, and cities.

Narrative: We are addressing only the portion of this amendment relating to Technology Transfer Inc. The portion of the amendment relating to Pride of Dakota should be addressed by the Agriculture Department. Lines 27 through 29 on page five apparently only divert operating dollars to projects, so there is no fiscal impact. However, there would be a significant impact on the administration of Tech. Trans. funds without staff. There would be no one to handle the significant workload associated with the funds nor with the needed expertise to administer them.

2. State fiscal effect in dollar amounts:
