

FISCAL NOTE

(Return original and 10 copies)

Bill/Resolution No.: \_\_\_\_\_ Amendment to: HB 1317

Requested by Legislative Council Date of Request: 2-8-95

- 1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, and cities.

Narrative: With the amendments to HB 1317, the State Engineer will be responsible for receiving petitions for water districts to organize; for holding hearings, making findings, and determining whether the district should be formed. Also, the State Engineer will receive petitions to include or exclude property. This requires holding hearings, making findings, etc. We believe the frequency of these events and involvement by the State Engineer would be minimal, and the fiscal impact could be absorbed within current budget.
