1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, and cities.

House Bill 1350 changes application dates and procedures for open enrollment and removes the twenty percent cap on the number of students who can leave a district in a given year. The bill also provides for transportation for open enrolled students by the receiving district at the discretion of the receiving district. We do not believe that these procedure changes will result in any fiscal impact or at least not a measurable fiscal impact.
