Bill/Resolution No.: HB 1453 Amendment to:

Requested by Legislative Council Date of Request: 01-18-95

1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, and cities.

This estimate is based on the indicated proposal to provide a complete set of statutes and regulations to each school district on an annual basis. If this becomes law, federal regulations may not allow the use of federal funds for costs related to carrying out a state mandate that requires more then federal regulations. Therefore, funding for this purpose would then become a general fund responsibility.

2. State fiscal effect in dollar amounts:
