Bill/Resolution No.: HB 1472 Amendment to: \_\_\_\_\_

Requested by Legislative Council Date of Request: 1-18-95

- 1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, and cities.

Narrative:

State and local government education entities are virtually all reimbursable accounts and would be responsible for the entire cost of any benefits paid. It is estimated that public education employment drops by 8,200 (State - 3,200, Local - 5,000) during summer recess. The vast majority of the 5,000 are nonfaculty/administrative, but Job Service is not able to make a reliable estimate on how many would be eligible under the proposed subsection 10, nor how many might have other summer employment.
