Bill/Resolution No.: SB 2062 Amendment to: _____

Requested by Legislative Council Date of Request: 12-21-94

1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, and cities.

This bill has an appropriation request of \$500,000. This amount would be distributed to schools that meet middle school accreditation requirements as adopted by the superintendent of public instruction. There are currently 6 schools in the "Bridges" middle school project receiving funding from the Carnegie Foundation. The intent of the project is to expand by 6 schools each year. There are other schools who are currently operating or planning to operate middle schools, but are not participating in the "Bridges" project. We do not know at this time how many of these schools would meet the middle school accreditation requirements. To fully fund this proposal, the appropriation may need to exceed \$500,000.
