SUMMARY OF ACTUARIAL INFORMATION

BILL DESCRIPTION: Presumption Clause

BILL NO. Engrossed SB 2085 - Final

SUMMARY OF ACTUARIAL INFORMATION: The Workers Compensation Bureau, together with its Actuary, Glenn Evans of Pacific Actuarial Consultants, have reviewed the legislation proposed in this bill in conformance with Section 54-03-25 of the North Dakota Century Code.

It is projected that the actuarial impact associated with the changes in the presumption clause will result in no change to the current loss reserves of the Fund. The proposed change will have impact on future rate levels for specific classes under which the presumption clause is currently applied. Based on a review of claims experience, it is anticipated that discounted loss costs would decrease by approximately \$100,000 per year. These savings would be allocated to Rate Class 7720 - law enforcement officers; and, Rate Class 7700 - paid firefighters.
