Bill/Resolution No.: SB 2115 Amendment to: _____

Requested by Legislative Council Date of Request: 12-28-94

1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, and cities.

Narrative:

The impact which could result from this bill would be when there is no contract for a division of expenses and the defendant has not waived rights to a jury trial. It is not known how many municipalities have contracts, although it is likely most do. Also, although we do not have statistics on the number of defendants who do not waive rights to jury trials, it is likely that few defendants do not waive those rights. because of this, it is estimated the fiscal impact of SB 2115 is marginal. If there would be an impact, it would likely be an increase in state general fund revenues in an amount equal to a decrease in revenues to municipalities.
