Bill/Resolution No.: SB 2269 Amendment to:

Requested by Legislative Council Date of Request: 1-11-95

- 1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, and cities.

Narrative:

It is not possible to determine the fiscal impact of this bill because there is no way to predict how many license plates would be sold under the provisions of the bill. The cost to acquire and mail the license plates is estimated to be \$2.71 to \$5.23 per plate. If this bill passes, the Department of Transportation will need a budget enhancement in order to acquire and mail the plates. Because it is not known how many will be sold, it is not possible to determine the amount of the needed enhancement.

- 2. State fiscal effect in dollar amounts:
