Bill/Resolution No.: SB 2313 Amendment to: _____

Requested by Legislative Council Date of Request: 1-17-95

1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general and special fund, counties, and cities.

Narrative: The secretary of state's office estimates that the \$2.50 surcharge on UCC documents established with a new section of law by the 1993 Legislative assembly will generate \$250,000. The income from the surcharge was to replace an estimated \$400,000 income short fall in UCC/CNS income during the 1993-1995 biennium.

If the surcharge were to remain in effect, this office would estimate that income from the surcharge would be about the same for future bienniums.

Expenditures to implement the accounting responsibilities of this bill would be less than \$5,000 a biennium.
