Bill/Resolution No.: SB 2330 Amendment to: _____

Requested by Legislative Council Date of Request: 1-24-95

1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, and cities.

Narrative:

The Executive Forecast prepared in November 1994, was redistributed to reflect the passage of the initiated measure on November 8, 1994. However, it was assumed that both the State General Fund and the Resources Trust Fund would contribute 20% to the newly created educational stabilization fund. A recent Attorney General's Opinion claims the entire 20% must come from the State General Fund's share. The language of SB 2330 is consistent with the Opinion and results in the additional negative adjustment to the General Fund and corresponding restoration of revenue to the Resources Trust Fund.
