Bill/Resolution No.: \_\_\_\_\_ Amendment to: SB 2391

Requested by Legislative Council Date of Request: 3-22-95

1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, and cities.

Narrative: Senate Bill 2391 allows a state agency to charge a reasonable fee for public access to state electronic data bases. Information Services Division (ISD) is not able to project the revenue impact since each state agency will determine the fee and which data bases can be accessed. ISD will assist the agency in providing access of the data base to the customer. The amendment does not reference ISD and therefore will not have a fiscal impact on this office.
