Bill/Resolution No.: _____ Amendment to: SB 2474

Requested by Legislative Council Date of Request: 2-3-95

- 1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, and cities.

Narrative:

It is not possible to accurately estimate the fiscal impact of this bill, as amended, because it is not known how many organizations, and how many members of each organization, will choose to acquire the special license plates provided for in this bill. It is expected that the cost of acquiring and distributing the plates will be covered by the portion of the fee that goes to the Highway Tax Distribution Fund. However, the Department of Transportation will need a budget enhancement to acquire the plates. The estimated enhancement required is \$50,000.
