10 **SECTION 1.** A new section to chapter 50-01.2 of the North Dakota Century Code is

19 training, education, employment, and management program, custom computer  
20 programs, custom software development, computer operations undertaken at the  
21 direction of the department, and computer processing costs to the extent those  
22 costs exceed, in any calendar year, that county's costs of operation of the technical  
23 eligibility computer system in calendar year 1995 increased by the increase in the  
24 consumer price index for all urban consumers (all items, United States city

average) after January 1, 1996, or, unless agreed to by the county social service board, any costs related to pilot programs before the programs are implemented on a statewide basis.

**SECTION 2.** A new section to chapter 50-01.2 of the North Dakota Century Code is created and enacted as follows:

**Standards of administration - Action upon failure to administer - Peer review committee - Appeal.**

1. The department shall adopt standards for administration for locally administered economic assistance programs and shall provide training for the implementation of those standards. Each county social service board shall provide for administration of locally administered economic assistance programs that meet those standards.
2. If a county social service board fails to provide for administration of locally administered economic assistance programs that meet the standards adopted under subsection 1, the department may take any of the following actions:
  - a. Provide training to the persons responsible for administration.

- 1                   b.    Require the county social service board to prepare and implement a
- 2                         corrective action plan.
- 3                   c.    Appoint a receiver to act in place of the county social service board.
- 4           3.    At least thirty days before taking any action under subsection 2, the department
- 5                   shall provide notice of its proposed action to the county social service board and
- 6                   the board of county commissioners of the affected county. The notice must
- 7                   describe the proposed action and the reasons therefor.
- 8           4.    If the county disputes a notice of proposed action, the board of county
- 9                   commissioners, before the effective date of the action, shall:
- 10                   a.    Request reconsideration by the department;
- 11                   b.    Propose an alternative action under subsection 2;
- 12                   c.    Request a peer review; or
- 13                   d.    Make any combination of these responses.
- 14           5.    If the county's response includes a request for reconsideration or proposed
- 15                   alternative action under subsection 2, the department promptly shall consider that
- 16                   request or proposal and notify the county of its determination.
- 17           6.    If the county's response includes a request for a peer review, the board of county
- 18                   commissioners shall name two members of a peer review committee, the
- 19                   department shall name two members of the peer review committee, and those four
- 20                   committee members shall name a fifth member of the peer review committee. At
- 21                   least one member of the peer review committee must be a member of a board of
- 22                   county commissioners and at least two members of the peer review committee
- 23                   must be county social service board directors or former county social service board
- 24                   directors. No member of the peer review committee may hold or have held office
- 25                   as county social service board director, or as a member of the county social
- 26                   service board or board of county commissioners, or be a resident of the county
- 27                   requesting the peer review.
- 28           7.    A peer review must be based upon written submissions made by the department
- 29                   and the county requesting the peer review. The county submission must be made
- 30                   within fifteen days after the county requests peer review, and the department's
- 31                   submission must be made within fifteen days after receipt of a copy of the county's

1 submission. The peer review committee may direct written questions to the  
2 parties, and the parties shall respond in writing within fifteen days.

3 8. A committee member designated by the department shall chair the peer review  
4 committee. The committee shall meet at the call of the presiding officer, and may  
5 meet by teleconference. Any committee action must be by motion. A decision on  
6 the county's request must be made within sixty days after receipt of the county's  
7 request, and subject to subsection 9, is binding on both parties.

8 9. The decision of the peer review committee is a final administrative decision. That  
9 decision may be appealed to the district court, and for that purpose, the decision  
10 must be treated as a decision on a request for rehearing made pursuant to section  
11 28-32-14. Appeal to the district court must be taken in the manner required by  
12 section 28-32-15. The department shall submit a record consisting of:

13 a. Submissions made, and questions asked and answered, under subsection 7;  
14 and

15 b. The motion and vote upon which the peer review committee acted to decide  
16 the matter.

17 10. A timely dispute of a notice to appoint a receiver under subsection 2 stays that  
18 action until thirty days after issuance of a decision by a peer review committee.

19 11. A timely appeal of a decision by a peer review committee stays that decision until  
20 determination of that appeal.

21 12. A receiver appointed under this section may take any action that may lawfully be  
22 taken by the county social service board and may draw upon the human services  
23 fund.

24 13. Members of a peer review committee are entitled to receive compensation by the  
25 department in the same amounts as members of the legislative council. The  
26 county requesting the review shall reimburse the department for one-half of that  
27 cost.

28 **SECTION 3.** A new section to chapter 50-01.2 of the North Dakota Century Code is  
29 created and enacted as follows:

30 **Board may contract.** In addition to actions a county social service board may take  
31 under chapter 54-40, a board may contract with another county social service board, the

1 receiver of a county social service board appointed under section 2 of this Act, the department,  
2 or any other public or private person to discharge any of its duties or exercise any of its powers  
3 to administer economic assistance programs.

- 14 2. On or before February twenty-eighth of each year, each county shall report to the  
15 department the total amount of county funds expended in the previous year to  
16 meet the cost of providing human services required under this title and the number  
17 of mills that must have been levied by that county in the prior year to raise that  
18 total amount. Upon receipt of reports from all counties, the department shall  
19 determine the statewide average of the mill levies and identify each county that  
20 levied ten mills more than that average. Each identified county is entitled to a  
21 share of funds appropriated for distribution under this subsection. Each identified  
22 county's share is determined by:
  - 23 a. Reducing its mill levy necessary to meet the costs of providing human  
24 services required under this title by the statewide average mill levy  
25 determined under this subsection plus ten mills;
  - 26 b. Determining the amount that could have been raised in that county and year  
27 through a mill levy in the amount calculated under subdivision a;
  - 28 c. Totaling the amounts determined under subdivision b for all counties entitled  
29 to a distribution;
  - 30 d. Calculating a decimal fraction equal to each identified county's proportionate  
31 share of the total determined under subdivision c; and

e. Multiplying that decimal fraction times one-half of the biennial appropriation.

3. The department shall seek appropriations for the purpose of providing additional financial assistance to county social service boards for human service program costs and local expenses of administering human service programs in counties in which the presence of an Indian reservation substantially reduces the amount of property subject to taxation.

**SECTION 5.** A new section to chapter 50-03 of the North Dakota Century Code is created and enacted as follows:

**Definitions.** Terms defined in chapter 50-01.2 have the same meaning when used in this chapter.

5 the department concerning the distribution between counties, of the social service block grant  
6 funds, general fund equivalents of social service block grant funds, and child support incentive  
7 funds available to the department for distribution to county social service boards. The  
8 department shall consider the recommendation of the county commissioners in determining the  
9 distribution to the county social service boards, in the following calendar year, of the social  
10 service block grant funds, general fund equivalents of social service block grant funds, and  
11 child support incentive funds available to the department for that purpose.

12           **SECTION 9.** A new subsection to section 50-06-05.1 of the North Dakota Century  
13 Code is created and enacted as follows:
