3 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

10 being moved by contractors or resident carriers.

11 b. Implements of husbandry being moved by resident farmers, ranchers,
12 dealers, or manufacturers between sunrise and sunset. Furthermore, the
13 limitation does not apply to implements of husbandry being moved between

15 on public state, county, or township highway systems other than interstate
16 highway systems.

17 c. Hay in the stack or bale being moved along the extreme right edge of a
18 roadway between sunrise and sunset by someone other than a commercial

22 fertilizer spreaders, whether operating under their own power or being
23 transported by another vehicle, and ~~overwidth~~ the commercial movement of
24 hay grinders, which may be ~~operated~~ moved on the highway after obtaining a

1 permit issued by the highway patrol. The highway patrol shall issue permits
2 that are valid during daylight hours on any day of the week, or that are valid at

4 commercial ~~mover~~ entity otherwise qualified under this subdivision.

5 Self-propelled fertilizer spreaders operating under their own power between

10 thousand dollars is filed and the appropriate permit fee is paid. The permit
11 may also be issued for hauling hay bales with vehicles or vehicle
