6 **SECTION 1. AMENDMENT.** Subsection 7 of section 20.1-03-11 of the 1995

8 7. A resident who has executed a lease for at least one hundred sixty acres [64.75
9 hectares] of land and who actively farms or ranches that land or a resident who
10 holds title to at least one hundred sixty acres [64.75 hectares] of land is eligible to
11 apply for a license to hunt elk upon filing an affidavit describing that land and
12 payment of the fee requirement for a resident big game license. The land must be
13 within a unit open for the hunting of elk. The license must include a legal
14 description of the eligible land described in the affidavit and may be used to hunt
15 elk within the district or unit in which the land described in the affidavit is located.
16 Upon request a lessee shall provide proof that the land described in the affidavit is
17 leased for agricultural purposes. A resident who is eligible for a license under this
18 subsection may transfer that eligibility for the license to a spouse or legal
19 dependent residing customarily with the resident, but no more than one license
20 may be issued under this subsection for any qualifying land. A resident
21 transferring eligibility under this subsection is not eligible to apply for a license to
22 hunt elk in future years but is eligible to participate in the rocky mountain elk
23 foundation raffle under section 20.1-08-04.6. If not otherwise specified in an
24 agricultural lease, the landowner is entitled to receive the license. The governor's

1 proclamation may restrict the districts or units for which preferential licenses may
2 be issued under this subsection. However, the governor shall give primary
3 consideration to allowing preferential licenses under this subsection to be issued to
4 persons owning or leasing land in the following areas: that portion of township one
5 hundred forty-seven north, range ninety-five west which is north and west of state

16 governor's proclamation. The number of licenses issued under this subsection for
17 each designated district or unit for hunting elk may not exceed fifteen percent of
18 the total licenses prescribed in the governor's proclamation for each district or unit.
19 If the number of applications for licenses to be issued under this subsection in a
20 district or unit exceeds the maximum number of such licenses allocated to that
21 district or unit, the licenses to be issued must be issued by lottery as prescribed in
22 the governor's proclamation. A person who receives a license under this
23 subsection is not eligible to apply for a license to hunt elk in future years but is
24 eligible to participate in the rocky mountain elk foundation raffle under section
25 20.1-08-04.6. Notwithstanding this subsection, if a person other than the
26 transferee of license eligibility is unsuccessful in harvesting an elk under this
27 subsection, that person may return the unused license to the department and is
28 eligible to apply for, but not transfer, a one-time additional license to hunt elk in
29 future years. A person who receives a second license under this subsection is not
30 eligible to participate in the rocky mountain elk foundation raffle under section

the total number of licenses prescribed in the governor's proclamation is less than twenty. The director may issue special elk depredation management licenses to landowners in designated areas around Theodore Roosevelt national park upon payment of the fee requirement for a resident big game license. The provisions of this section governing the number of licenses issued for each designated district or unit for hunting elk do not apply to special elk depredation management licenses and a person who receives such a license under this subsection is eligible to apply for a license to hunt elk in future years and is eligible to participate in the rocky mountain elk foundation raffle under section 20.1-08-04.6.
