SECTION 2. AMENDMENT. Section 20.1-03-07.1 of the 1995 Supplement to the North Dakota Century Code is amended and reenacted as follows:

20.1-03-07.1. Nonresident waterfowl hunting license required. Except as provided in section 20.1-03-07.2 and section 3 of this Act, a nonresident may not hunt waterfowl unless that person first obtains a nonresident waterfowl hunting license, in addition to a nonresident small game hunting license. The nonresident waterfowl hunting license entitles the nonresident to hunt waterfowl for any period of fourteen consecutive days or any two periods of seven consecutive days each and in specified waterfowl hunting zones. A license authorizing two 7-day hunting periods may allow hunting in a different zone during each period. The governor, in the governor's proclamation, shall specify various waterfowl hunting zones for which nonresident waterfowl hunting licenses will be available, and may specify the number of licenses which may be issued in each zone and the manner in which they are to be issued. A nonresident is entitled to purchase only one nonresident waterfowl hunting license per year.

SECTION 3. A new section to chapter 20.1-03 of the North Dakota Century Code is created and enacted as follows:

Fishing and hunting by nonresident students. A nonresident who is a United States citizen and who is a full-time student at an institution of higher education in this state and who resides in this state during the school year may obtain a resident fishing license or resident small game hunting license by providing proof of student status and residence as prescribed by the director.

SECTION 4. A new section to chapter 20.1-03 of the North Dakota Century Code is created and enacted as follows:

Fishing by foreign exchange students. A nonresident who is a full-time foreign exchange student at a high school in this state and who resides with a person in this state may obtain a resident fishing license by providing proof of student status and residence as prescribed by the director.

SECTION 5. EXPIRATION DATE. This Act is effective through July 31, 1999, and after that date is ineffective.
