

Fifty-fifth
Legislative Assembly
of North Dakota

ENGROSSED HOUSE BILL NO. 1305

Introduced by

Representatives Monson, Olson, Nichols

Senators Heitkamp, Sand, Thane

1 A BILL for an Act to provide for a study of industrial hemp production by the agricultural
2 experiment station.

3 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

4 **SECTION 1. North Dakota agricultural experiment station - Study of industrial**
5 **hemp production.** The North Dakota agricultural experiment station shall study the feasibility
6 and desirability of industrial hemp production in this state. The study may include an analysis
7 of required soils and growing conditions, seed availability, harvest methods, market economies,
8 environmental benefits, and law enforcement concerns. The North Dakota agricultural
9 experiment station shall present its report to the legislative council before August 1, 1998.
