(Representatives Schmidt, Boucher, Gulleson, D. Johnson)
(Senators Kringstad, Urlacher)

A concurrent resolution directing the Legislative Council to study the feasibility and desirability of providing property tax relief through alternative state and local revenue sources.

WHEREAS, it is a commonly heard observation of citizens of the state that property tax burdens have increased substantially in recent years; and

WHEREAS, it is essential that the Legislative Assembly gather accurate information about the increase in property taxes in recent years relative to other taxes imposed in the state, funds allocated to political subdivisions by the state, and whether the property tax burden is equitably allocated; and

That the Legislative Council study the feasibility and desirability of providing property tax relief through alternative state and local revenue sources; and
