**SECTION 6. LEGISLATIVE INTENT - TECHNOLOGY REIMBURSEMENT PAYMENTS.** It is the intent of the fifty-fifth legislative assembly that the funds appropriated in subdivision 1 of section 1 of this Act for technology reimbursement payments be used for reimbursing school districts for technology-related expenditures. The educational telecommunications council shall determine the maximum amount to which each school district is entitled by dividing the number of elementary and secondary students in average daily membership in this state into the funds appropriated in subdivision 1 of section 1 of this Act for technology reimbursement payments and then multiplying the result by the number of students in average daily membership in each district. Upon receiving substantiating documentation from a school district indicating the expenditure of funds on or after July 1, 1996, for the acquisition of computer technology for student uses or instructional purposes, interactive television, or teacher inservice programs related to the use of computer technology in classroom instruction, the educational telecommunications council shall provide reimbursement to the school district in an amount equal to that expended but not exceeding that to which the school district is entitled.

**SECTION 7. LEGISLATIVE INTENT - MEAT IN SCHOOL LUNCH PROGRAMS.** It is the intent of the fifty-fifth legislative assembly that the superintendent of public instruction encourage school boards operating or providing for the operation of child nutrition and food distribution programs in schools to not offer yogurt as a substitute for meat in school lunches served to students.

**SECTION 8. LEGISLATIVE INTENT - DIVISION OF INDEPENDENT STUDY TUITION RATES.** It is the intent of the fifty-fifth legislative assembly that during the 1997-99 biennium, the division of independent study review the tuition rates charged for resident and nonresident students enrolled in independent study courses and consider increasing the tuition rate charged nonresident students.

**SECTION 9. LEGISLATIVE INTENT - POSITION TRANSFERS.** It is the intent of the fifty-fifth legislative assembly that for the 1997-99 biennium, the department of public instruction be authorized to have no more than 135.45 full-time equivalent positions and that no more than 39.2 of these positions be in the division of independent study. It is the intent of the fifty-fifth legislative assembly that if, during the 1997-99 biennium, the superintendent of public instruction transfers any positions to the division of independent study from other divisions of the department of public instruction, the transfers be reported to the budget section of the legislative council at its next meeting.

**SECTION 10. LEGISLATIVE INTENT - GRANT TO LEADERSHIP IN EDUCATION ADMINISTRATION CONSORTIUM - REPORT TO LEGISLATIVE COUNCIL COMMITTEE.** It is the intent of the fifty-fifth legislative assembly that \$25,000 of the amount appropriated in the grants - other grants line item in subdivision 1 of section 1 of this Act be used to provide a grant to the leadership in education administration consortium to develop training programs in cooperation with teacher learning centers. It is the intent of the fifty-fifth legislative assembly that the leadership in education administration consortium and the teacher learning centers work cooperatively to develop training programs for teachers and education administrators. The leadership in education administration consortium shall present, no later than September 30, 1998, a report to the legislative council or its designated committee on training programs for teachers and education administrators developed in cooperation with the teacher learning centers.

**SECTION 11. PAYMENTS FOR LIMITED ENGLISH PROFICIENT STUDENTS.** Notwithstanding section 2 of Senate Bill No. 2029 as passed by the fifty-fifth legislative assembly, payments to school districts educating limited English proficient students, as provided by that bill, must be paid from up to \$300,000 of the amount appropriated in subdivision 1 of section 1 of this Act for grants - foundation aid and transportation.

**SECTION 12. CREDENTIALING PROCESS FOR SPECIAL EDUCATION TEACHERS.** The superintendent of public instruction may not change the credentialing process for special education teachers as it is in effect on March 1, 1997, without first convening a meeting to include representatives of the council of educational leaders, the council for exceptional children, the North Dakota education association, and the North Dakota school boards association. The purpose of the meeting is to receive comments regarding the proposed changes, including the scheduling and manner of implementation, associated costs, the applicability of the proposed changes, and the short-term and long-term effects of the proposed changes. If, within thirty days after the date of the meeting, any representative present at the meeting objects in writing to the proposed change, the superintendent may not implement the change prior to July 1, 1999.

**SECTION 13. FEDERAL FUNDING FOR SPECIAL EDUCATION.** The legislative assembly urges Congress to fund the education of children with disabilities at the level authorized in the Education for All Handicapped Children Act of 1975. In that legislation, now known as the Individuals with Disabilities Education Act, Congress included a graduated formula for determining state entitlement and provided that for the fiscal year ending September 30, 1982, and for each fiscal year thereafter, the federal funding level was to be set at forty percent of the average per student expenditure in public elementary and secondary schools in the United States. Because the level of federal funding received by this state has never exceeded ten percent, this federal legislation constitutes an underfunded mandate. The secretary of state shall forward copies of this section to the secretary of the department of education, to the chairman of the senate labor and human resources committee, to the chairman of the house economic and educational opportunities committee, and to each member of the North Dakota congressional delegation."

L. 103-239; 108 Stat. 568; 20 U.S.C. 2394 et seq.], the student's school principal shall obtain the written consent of the student's parent or legal guardian. Participation by a student is voluntary and may not be deemed a condition of graduation. Neither school personnel, school district personnel, nor the superintendent of public instruction may impose any academic penalties or any other sanctions on a student for failure to participate. A student's participation in a course, program, or project offered under the auspices of the School-to-Work Opportunities Act of 1994 is subject to all state and federal child labor laws."

**Children with autism - Home school - Progress reports.**

1. On or before November first, February first, and May first of each school year, a parent providing home schooling to an autistic child under section 20 of this Act shall file with the superintendent of the child's school district of residence progress reports prepared by a licensed psychologist, an occupational therapist, a speech pathologist, and a certified teacher. 2. The superintendent of the child's school district of residence shall forward copies of all documentation required by this section to the superintendent of public instruction. The superintendent of public instruction shall provide a report and recommendations regarding the home schooling of developmentally disabled children with autism under this section and section 20 of this Act to the legislative council.

1. The supervising officer shall appoint a superintendent for each of the institutions under its control, except for the state hospital, where the supervising officer shall appoint a superintendent and a medical director in consultation with a state hospital governing body.
2. The tenure of office of each superintendent is two years from the date of the superintendent's appointment, and the superintendent must possess qualifications required by this title. Any superintendent may be removed by the supervising officer for misconduct, neglect of duty, incompetency, or other proper cause showing the superintendent's inability or refusal properly to perform the duties of office, but a removal at a time other than a termination of the superintendent's two-year tenure may be had only after an opportunity is given to the person to be heard before a board consisting of the governor, attorney general, and supervising officer of the institution on preferred written charges. 3. The supervising officer shall fix the compensation of each superintendent within the limits prescribed in this title and within the appropriations made by the legislative assembly for compensation.

The state library is an autonomous agency and retains a budget and staff separate from that of the superintendent of public instruction.

**SECTION 24. AMENDMENT.** Subsection 3 of section 54-44.3-20 of the 1995 Supplement to the North Dakota Century Code is amended and reenacted as follows:

3. Administrative heads of departments required by law, other than the superintendent of the school for the blind, the superintendent of the school for the deaf, and the state librarian.

**SECTION 25. EXPIRATION DATE.** Sections 20 and 21 of this Act are effective through June 30, 1999, and after that date are ineffective.

## STATEMENT OF PURPOSE OF AMENDMENT:

### DEPARTMENT 201 - PUBLIC INSTRUCTION

CONFERENCE COMMITTEE - This amendment reduces operating expenses by \$42,732 (\$17,500 general fund, \$25,232 other funds) for risk management premiums. This amendment also reduces operating expenses by \$29,000 to reflect an anticipated reduction in the estimated cost of leases the Division of Independent Study will enter into for copiers and other equipment during the 1997-99 biennium. The amount included in the executive recommendation was approximately \$249,000 and the department estimates the cost will be approximately \$220,000. This amendment also reduces general fund appropriation authority by \$21,000 and increases other funds authority by the same amount to encourage the Division of Independent Study to consider increasing nonresident tuition rates to generate additional tuition revenue. This amendment also increases operating expenses by \$12,000 from the state general fund for a portion of the costs the department anticipates will be incurred relating to reissuing certain rules, as required by Senate Bill No. 2336. The fiscal note for Senate Bill No. 2336 indicates an anticipated cost of \$100,000 for the 1997-99 biennium.

This amendment adds the following grants:

Technology reimbursement payments (Reengrossed House Bill No. 1034 included \$3.8 million for technology reimbursement payments)	\$5,000,000
Educational Telecommunications Council	1,000,000
SENDIT	876,000

This amendment adds legislative intent relating to grants for technology and the SENDIT network.

This amendment also adds legislative intent relating to school lunch programs, Division of Independent Study tuition rates, position transfers to the Division of Independent Study, and a grant to the Leadership in Education Administration (LEAD) Consortium to develop cooperative training programs with the teacher learning centers. This amendment also increases other grants by \$25,000 from the state general fund for a grant to the LEAD Consortium.

This amendment provides that up to \$300,000 of the amount appropriated for foundation aid is to be used for payments to school districts for limited English proficient students, as provided by Senate Bill No. 2029.

This amendment requires the Superintendent of Public Instruction to obtain, from certain educational related groups, prior approval of any proposed changes to the credentialing process for special education teachers.

This amendment provides statutory changes relating to the classified status of the superintendent of the School for the Deaf, the superintendent of the School for the Blind, and the State Librarian.

This amendment also allows home school instruction for autistic children, encourages the United States Congress to increase the level of funding for the education of children with disabilities, and provides that a student's participation in school-to-work programs is voluntary.
