SECTION 1. APPROPRIATION. The funds provided in this section, or so much of the funds as may be necessary, are hereby appropriated from special funds derived from the state lands maintenance fund and the lands and minerals trust fund in the state treasury, not otherwise appropriated, and from other income to the commissioner of university and school lands for the purpose of defraying the expenses of the commissioner of university and school lands, for the biennium beginning July 1, 1997, and ending June 30, 1999, as follows:

SECTION 2. OIL AND GAS IMPACT GRANT FUND. The amount of \$5,000,000, or so much of the amount as may be necessary, included in the total special funds appropriated in section 1 of this Act may be spent from the oil and gas impact grant fund by the commissioner of university and school lands for the purpose of providing oil and gas development impact grants and the administration of the oil and gas development impact grant program for the biennium beginning July 1, 1997, and ending June 30, 1999.

SECTION 3. GRANTS. Section 54-44.1-11 does not apply to appropriations made for oil impact grants in section 1 of this Act nor to the appropriation for coal impact grants in chapter 733 of the 1989 Session Laws.

The "prudent investor rule" means that in making investments the board shall exercise the same judgment and care, under the circumstances then prevailing and limitations of North Dakota and federal law, that an institutional investor of ordinary prudence, discretion, and intelligence exercises in the management of large investments entrusted to it, not in regard to speculation but in regard to the

permanent disposition of funds, considering probable safety of capital as well as probable income. Notwithstanding any investments made before to July 1, 1997, the board may not use any funds entrusted to it to purchase, as sole owner, commercial or residential real property in North Dakota without prior approval of the legislative assembly or the budget section of the legislative council.
