section 43 09-18. The master electrician employing the apprentice electrician is responsible for all work performed by the apprentice in the course of the apprentice's employment.

SECTION 3. AMENDMENT. Section 43-09-14 of the North Dakota Century Code is amended and reenacted as follows:

43-09-14. Master electrician and class B electrician - Undertaking - Fund. Before entering into a contract agreement or undertaking with another for the installation of electrical wiring or installation of electrical parts of other apparatus, a master electrician or a class B electrician shall execute and deposit with the board an undertaking in the sum of three thousand dollars for a master electrician or two thousand dollars for a class B electrician conditioned for the faithful performance of all electrical work undertaken and the strict compliance with all the provisions of this chapter and the requirements of the board. If the master electrician maintains more than one business location in the state, the master electrician shall deposit the required undertaking for each location. In addition, a deposit must be made with the board in the amount of twenty-five dollars by a master electrician and in the amount of fifteen dollars by a class B electrician, in lieu of a surety bond. The deposit so made must be accumulated by the board in a special fund to be used for the completion of installations abandoned by electricians referred to in this section, not to exceed the amount of three thousand dollars for a master electrician and two thousand dollars for a class B electrician. The board shall waive the deposit for a renewal of license by electricians who have made an initial deposit under this section if at the beginning of the renewal year the fund exceeds thirty thousand dollars. Funds in excess of thirty thousand dollars at the end of each year may be committed and used at the direction of the board to inform and educate electricians concerning the requirements of the electrical code. The board may prescribe forms for the undertaking and make adopt rules it deems necessary to carry out the intent provisions of this section.

SECTION 4. AMENDMENT. Section 43-09-15.1 of the North Dakota Century Code is amended and reenacted as follows:

43-09-15.1. Continuing education. After March 31, 1990, each Each applicant for renewal of an electrician's license pursuant to section 43-09-15 must have successfully completed prior thereto at least four hours, and thereafter eight hours each biennium, of continuing education relating to the standards set forth in section 43-09-21 or as otherwise prescribed by the board. The board may not require more than sixteen hours of continuing

session.

- education in each biennium. The board shall conduct education sessions for licensees each
 year at not less than six locations throughout the state. Attendance at such the sessions, or
 attendance at other education sessions conducted by the school of science at Wahpeton and
 certified and approved by the board as approved, fulfills the educational requirements of this
 section. The board may charge a fee to licensees for attendance at the education sessions at
 in an amount to be determined by the board, but not to exceed ten dollars per person for each
 - **SECTION 5. AMENDMENT.** Section 43-09-18 of the North Dakota Century Code is amended and reenacted as follows:
- 43-09-18. Apprentice to master electrician. Any person may serve as an apprentice
 under a licensed master electrician, but a master electrician may not allow an apprentice to
 work on any installation without personal supervision of a licensed electrician and the master
 electrician is responsible for all electrical work performed by the apprentice in the course of the
 apprentice's employment.
