(Return original and 10 copies)

Bill/Resolution No.: HB 1088 Amendment to: _____

Requested by Legislative Council Date of Request: 12-20-96

1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, cities, and school districts.

Narrative: There will be no Fiscal impact to state general or special funds, cities or school districts. The impact to counties starting with the 1997 biennium would be minimal at most. Since SCDs now have the compensation authority at the local level, the impact could be a reduction to a small increase depending on the amount used for compensation and the types of meetings compensation is authorized for. A majority of SCD operating funds are generated through services.
