Special Funds

Section 3 of the Bill adds two new members to the Board. The addition of two more members to the Board will increase Board salary and expenses because of the need of the new members to attend at least two meetings per year. It is anticipated that the addition of two new members will increase the Board's salary and expenses in the amount of \$600.00 per biennium.

Section 14 of the Bill amends N.D.C.C. 43-11-23 to permit cosmetology schools to offer the practical portion of the examination as one of the graduation requirements. Permitting the schools to offer the practical portion of the examination will reduce the time needed for Board members to administer the practical exam. Board members administer approximately eight (8) practical examinations per year. Each member of the Board receives compensation of \$50 for each day employed in official duties. It is estimated that eliminating the need for Board members to travel to and offer the practical examination will reduce the Board expenses by \$3,500 per biennium.

Section 18 eliminates the Demonstrator license. The fee for a Demonstrators license is \$25. The fee to renew a Demonstrators license is \$15. It is anticipated that the elimination of the Demonstrators license will reduce Board revenue by \$600 per biennium.
