Bill/Resolution No.: HB 1288

Amendment to: _____

Requested by Legislative Council

Date of Request: 1-15-97

1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, cities, and school districts.

Narrative:

HB 1288, if enacted, changes the compensation for a special assessor for reassessment from \$80 per day to an amount determined by the board of county commissioners or the tax commissioner, whichever ordered the reassessment. The cost of the reassessment is charged to the political subdivision reassessed. Historically, a reassessment has been ordered on rare occasions to correct inequities in the regular assessment. In the past ten years, only four reassessments have been ordered under this chapter. If a reassessment is ordered after HB 1288 becomes effective, the change in compensation for the special assessor could result in an increased cost for the political subdivision being reassessed. Because of the unpredictable nature of reassessments, we are not able to estimate the fiscal impact, if any.
