Requested by Legislative Council

Date of Request: 1-22-97

1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, cities, and school districts.

Narrative: This bill gives the legislative assembly the responsibility for establishing accreditation standards for public and private schools. The current law provides for reduced foundation aid payments to schools that become unaccredited.

We do not expect the change in standard setting responsibility to cause more schools to become unaccredited. There is no anticipated fiscal effect.
