Bill/Resolution No.: SB 2094 Amendment to: _____

Requested by Legislative Council Date of Request: 12-26-96

1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, cities, and school districts.

Narrative:

There will be no fiscal impact with this bill. In section 1, the bill just changes the publishing dates for the analysis of measures to an earlier time period. Rather than being published during the same time period as the sample ballots, the analysis will be published the two weeks prior. Costs will remain the same. In Section 2, the proposed change just reflects actual practice in the counties. Counties are not now printing separate ballots because of their use of ballots that can be counted electronically. Therefore, the costs to counties for ballots will remain the same since the change in the law only reflects current practice.
