

FISCAL NOTE

(Return original and 10 copies)

Bill/Resolution No.: SB 2180 Amendment to: _____

Requested by Legislative Council Date of Request: 1-16-97

1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, cities, and school districts.

Narrative:

There will be a very significant negative fiscal impact on the North Dakota Department of Transportation. Our calculations are based on the three companies currently with electronic access converting to this program and no longer paying \$3 per abstract. Each additional company in this program would increase revenue slightly with their fee payment, but this would probably be more than offset by loss of revenue.

2. State fiscal effect in dollar amounts:
