Bill/Resolution No.: SB 2211

Amendment to: \_\_\_\_\_

Requested by Legislative Council

Date of Request: 1-20-97

1. Please estimate the fiscal impact ( in dollar amounts) of the above measure for state general or special funds, counties, cities, and school districts.

Narrative:

If enacted, eliminates using the value of exempt property in calculating the maximum levy starting with tax year 1999. Counties, cities, and townships will experience a savings of an undetermined amount by not valuing exempt government owned property. The resulting maximum levy calculation will provide less revenue when exempt property is added to a taxing district and more revenue when exempt property is removed from a taxing district. The impact to counties, cities, and school districts will depend upon the level of funding approved by the governing bodies to provide services.
