Bill/Resolution No.: SB 2267

Amendment to: \_\_\_\_\_

Requested by Legislative Council

Date of Request: 1-22-97

1. Please estimate the fiscal impact ( in dollar amounts) of the above measure for state general or special funds, counties, cities, and school districts.

Narrative:

If enacted, restricts the increase in value of agricultural land for property tax purposes to the increase in the consumer price index. Political subdivisions are allowed to levy as much in dollars as the highest amount levied in the three most recent years and therefore have no fiscal impact. The state medical center levy will receive less revenue because the levy is fixed at one mill.
