Bill/Resolution No.: SB 2299

Amendment to: _____

Requested by Legislative Council

Date of Request: 1-22-97

1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, cities, and school districts.

Narrative:

SB 2299, if enacted, would enable townships to impose a sales, use, or excise tax, providing it conforms to state law. The townships may enter into collections contracts with the tax commissioner which would entail administrative costs for the Tax Department. The potential fiscal impact of SB 2299, either in terms of revenues generated for the townships, or in expenditures on the part of the Tax Department, depends on the actions of townships, and is therefore unknown. (NOTE: A preliminary estimate of the fiscal impact of a 1% townships sale and use tax, levied within all townships, is \$7M per year.)
